**Estimated Cost: \$2,700.00**

## **WOH 1030: 1815 to the Present: World History in England**

**Dr. Kaitlyn Muchnok & Dr. Brandon Jett (Hendry Glades campus or Live Flex) (Social Science Core Class)**

This program will expose students to the major trends, changes, and issues that occurred in world history from 1815 to the present. Industrialization, nationalism, and imperialism dominated global history throughout the last two centuries, as well as WWII and the Cold War. The United Kingdom was at the forefront of those changes and events.

We will visit historic sites and museums, such as the Imperial War Museums, as well as the People’s Story Museum to understand the experiences of working class people as they grappled with the changes that accompanied the industrial revolution. Students will visit Bletchley Park to understand how the British responded to Nazi attacks and how codebreaking assisted the Allied victory in the UK. Students will immerse themselves in cultural diversity and see how Britain’s history of imperialism continues to affect the society, economy, and politics of today.
